

REMARKS

In the Notice of Non-Compliance, the Office stated that Applicants proposed amendment of claim 30 is not an accurate representation of the claim as it previously exists. The Examiner asserts that the previous reference to "(a) to (j)" is missing from the last line of claim 30. Therefore, the Examiner believes it is unclear as to what Applicants intent is, since Applicants amendment does not indicate that "(a) to (j)" should be deleted. Applicants have amended claim 30 to indicate that "(a) to (j)" should be deleted and "(a) to (g)" should be added.

No new matter has been added and only the sections which require a response to fully comply with the Notice are amended.

Respectfully submitted,
